WASEDAS ARE WELCOMED

(Continued from Page 1)

the outcome of the Chiyu movement.
As soon as the Chiyu came along side of the Alaska street wharf this afternoon the Honolulu Japanese chanted a baseball song which wound up with an Oahu League yell that made the passengers on the Chiyu wonder what they had struck.

All the Oahu League officials were present on the wharf, and the captains and managers of the clubs also attended. The Japanese High School children to the number of several hundred ranged up, and sang the Japanese National Anthem as the Wasedas came alongside.

Although the ominous yellow flag was flying at the foremast, the liner room went alongside of the wharf; many people thought that the vessel was proceeding to the quarantine landing but instead she headed in to Alaska street.

The Wasedas were quickly on shore and were welcomed warmly by their countrymen. They were driven straight to the Azuma Club on School street, where they were treated to lunch. The variety players took a likely enough bunch, and they from appearance, would seem to be good enough.

This afternoon the Wasedas will go down to the Athletic Park and have a practice game of ball so as to get used to their new surroundings. The party consists of fifteen players and several masters from the university.

LANE INDICTED BY GRAND JURY

Edward Lane against whom an indictment was found by the Grand Jury yesterday was arraigned in the criminal court this morning charged with assault on a female child under ten years of age.

Lane was arrested on the same charge and in the police court was sentenced under a charge for vagrancy as the County Attorney thought it impossible to convict him under the more serious one.

The action of the grand jury in taking the matter over the head of the prosecuting attorney has created considerable talk in the city and the outcome of the trial will be awaited with interest.

At the arraignment this morning Attorney Strauss appeared to represent Lane and he asked for as long time as possible to prepare his case before the defendant had to plead to the charge.

July 18 was set by Judge Cooper as the date for plea and in the meantime it is understood that steps will be taken to get Lane out under habeas corpus proceedings.

The proposition of being twice in jeopardy for the same crime is one that is expected to figure in the defense of this case and will be an interesting point argued out in court.

THE MATSON Navigation steamer Hilonian will be among the number of vessels to arrive at the port on Fourth of July. According to latest advices received at the local agency of Castle and Cooke the Hilonian is bringing a fair sized cargo for Honolulu. The vessel is scheduled to sail the following day for Kahului, thence to Port Allen and lastly call at Hilo. From the latter port the vessel will sail for a return trip to San Francisco. The Hilonian will take a thousand tons of Honolulu sugar and complete her cargo at the Hawaii port. No sugar will be taken at either Port Allen or Kahului.

A REPORT has reached this city that the Canadian-Australian line will equip the steamer Marama with wireless telegraph. Owing to the fact that but few wireless stations are found in the Colonies, the steamship company has not heretofore hastened the installation on its vessels. It is predicted that wireless telegraph stations will be placed at Suva, Brisbane and Sydney in the near future.

THE DEPARTURE of the S. C. Allen from Fort Bragg is reported. The vessel is bringing down a shipment of lumber to the agency of Allen and Robinson.

NEW SONGS IN "TELEPHONE GIRL"

Although "The Telephone Girl" continues to be the bill at the Opera House by the Casino Musical Comedy Company, a number of new specialties and songs are bringing a number of the "first nighters" to see the clever company again.

The change in the songs and music, if possible, add to the attractiveness of the opening musical comedy of the new company which promises to have a record run in Honolulu.
